Dear Sir:

Applicant provides with regard to the enclosed patent application entitled METHOD FOR TREATING CARDIAC MUSCLE DISORDERS, one copy of each of the various documents of which he is aware, which may be material to the examination of this application, and in respect of which there may be a duty of disclosure under 37 C.F.R. section 1.56. A listing of the documents submitted is set forth on the attached 2 page Information Disclosure Citation (Form PTO-1449). Art item BP is not enclosed, but will be submitted in due course. Art item BD is not enclosed.

While these documents may be material pursuant to 37 C.F.R. section 1.56, their disclosure is not intended to constitute an admission that any such document is prior art in regard to this invention. The filing of this Statement should not be construed to mean that a search has been conducted or that no other material documents or information exists. Please do not hesitate to contact the undersigned should any questions arise regarding this Statement.
